**REASONS FOR REPURCHASES**

The Directors believe that the Repurchase Mandate is in the best interests of the Company and the Shareholders. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net assets of the Company and/or its earnings per Share and will only be made when the Directors believe that such a repurchase will benefit the Company and the Shareholders.

**FUNDING OF REPURCHASES**

Repurchases of Shares by the Company must be made out of funds which are legally available for such purpose in accordance with the Articles, the Listing Rules and the applicable laws and regulations of the Cayman Islands.

The Company shall not repurchase its own Shares on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

Subject to the above, any repurchase of the Shares by the Company may be made out of profits of the Company or out of a fresh issue of Shares made for the purpose of the repurchase or subject to the Companies Law, out of capital provided that on the day immediately following the date of repurchase of the Shares, the Company is able to pay its debts as they fall due in the ordinary course of business.

There may be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited financial statements contained in the annual report of the Company for the year ended 31 December 2010) in the event that the Repurchase Mandate is to be exercised in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the Repurchase Mandate to such extent as this would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or its gearing levels which in the opinion of the Directors are from time to time appropriate for the Company.

**DIRECTORS' DEALING**

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, their associates (as defined in the Listing Rules) have any present intention to sell any Shares to the Company under the Repurchase Mandate if the same is approved by the Shareholders.

**DIRECTORS' UNDERTAKING**

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise the Repurchase Mandate pursuant to the proposed resolution in accordance with the Articles, the Listing Rules and the applicable laws and regulations of the Cayman Islands.

**EFFECT OF THE TAKEOVERS CODE**

A repurchase of Shares may result in an increase in the proportionate interests of a Shareholder of the Company in the voting rights of the Company, which could give rise to an obligation to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, to the best knowledge and belief of the Directors, Trisonic International, Kingston Grand, Mr. Wang Jin, Mr. Yang Xianlu, Mr. Wu Wendong, Mr. Li Hesheng, Mr. Shi Yinjun, Mr. Zhang Yuangui and Sapphire Corporation, being the parties acting in concert (the “Parties”) as well as the Substantial Shareholders of the Company, were interested in a total of 1,197,698,000 Shares, representing approximately 57.72% of the issued share capital of the Company. In the event that the Repurchase Mandate is exercised in full and assuming that there is no change in the number of Shares held by the Parties and there is no other change to the issued share capital of the Company, the shareholdings of the Parties in the Company will be increased to approximately 64.13%. Based on the information known to date, the Directors are not aware of any consequence which may arise under the Takeovers Code as a result of any repurchase to be made under the Repurchase Mandate. Nevertheless, the Directors do not intend to exercise the Repurchase Mandate to such extent as would, in the circumstances, trigger any potential consequences under the Takeovers Code.

The Directors have no present intention to repurchase Shares to such extent which will result in the amount of Shares held by the public being reduced to less than 25% of the total issued share capital of the Company or such other minimum percentage as prescribed by the Listing Rules from time to time.

**SHARE REPURCHASE MADE BY THE COMPANY**
